QUEENSLAND JOURNAL OF AGRICULTURAL SCIENCE

VOLUME 18, 1961

CONTENTS

No. 1, MARCH

PAGE

Tobacco Blue Mould (*Peronospora tabacina* Adam) in North Queensland. 2. Epidemiological Studies Bearing on the Development and Control of the Disease. By W. PONT and I. K. HUGHES 1

Tobacco Leaf-pest Control Investigations, 1949–1955. By W. A. SMITH 33

Observations on the "Bare Soil" Method of Grassed Waterway Establishment. By J. ROSSER 57

Effect of Maturity and Tree Age on the Behaviour of Queensland Grown Granny Smith Apples Stored at 34–36°F. By C. D. STEVENSON and J. B. WATKINS 77

Studies on the Cause of a Low Copper Status in Cattle in South-eastern Queensland. By J. M. HARVEY, J. W. RYLEY, R. M. BEAMES and M. S. O'BRYAN 85

Viable Hypotrichosis in a Jersey Calf. By M. D. MCGAVIN and G. I. ALEXANDER .. 105

Proteolytic Organisms in Butter. By LORNA G. LIGHTBODY 109

Role of the Fat Globules in the Inhibition of Certain Strains of *Streptococcus cremoris* in Pasteurized Milk. By AILSA J. GILLIES 123

Serological Properties of Milk and Their Role in Regard to the Inhibition of Certain Strains of *Streptococcus cremoris*. By AILSA J. GILLIES 139

TECHNICAL NOTES

Banana Rust Thrips and Scab Moth Control Trials in North Queensland. By G. W. SAUNDERS 153

The Value of the Methylene Blue Dye Reduction Test in Studying Natural Inhibitory Properties of Milk. By AILSA J. GILLIES 157

No. 2, JUNE

Heritable Variation in Nodulation of *Centrosema pubescens* Benth. By G. D. BOWEN and MARGARET M. KENNEDY 161

Peach Brown Rot Investigations in Queensland. By K. N. SHEA 171

Comparative Morphological Studies of *Heliothis* Species (Lepidoptera : Noctuidae) in Queensland. By T. H. KIRKPATRICK 179

Queensland Distributions and Host Records for *Heliothis* Species (Lepidoptera : Noctuidae). By T. H. KIRKPATRICK 195

Studies of Plant and Soil Nematodes. 4. *Tylenchulus obscurus* n.sp. (Nematoda : Tylenchulidae). By R. C. COLBRAN 203

Effect of Grazing Management on an Irrigated Pasture in South-eastern Queensland. By C. A. SCHRODER 209

Field Observations on the Daily Milk Intake of Merino Lambs in Semi-arid Tropical Queensland. By G. R. MOULE and R. B. YOUNG 221

Experimental *Leptospira pomona* Infection of Boars, Including Studies on Transmission of Infection by Coitus. By L. Tammemagi, G. C. Simmons, M. D. McGavin, and C. G. LUDFORD 231

Heat Processing of Cream Through Vacuum Deodorization Equipment. 1. A Comparison of Tandem and Triple Vacreation Processing of Cream. By W. D. MITCHELL 241

TECHNICAL NOTES PAGE

A Note on Sweet Potato Weevil in Central Queensland. By T. PASSLOW and P. D. ROSSITER 255

Seed-harvesting Ant Control in the Cloncurry District. By B. R. CHAMP, D. I. SILLAR and H. J. LAVERY 257

Effect of Polyethylene Case Liners on the Cool Storage Behaviour of Granny Smith and Delicious Apples. By C. D. STEVENSON and J. R. BLAKE 261

A Useful Soil Sampling Tube. By G. D. KEEFER and D. K. WARD 267

No. 3, SEPTEMBER

Insect Pest Control and Yield Patterns in Central Queensland Cotton Crops. By T. PASSLOW 269

Effect of Nematocides on the Halide Content and Burning Time of Flue-cured Tobacco Leaf in South Queensland. By R. C. COLBRAN and H. T. GREEN 287

Investigations into the Control of Superficial Scald in Cool-stored Queensland Grown Granny Smith Apples by Chemical Means. By C. D. STEVENSON and J. R. BLAKE 293

Establishment of Kikuyu Grass on the Clay Soils of the Darling Downs, South-eastern Queensland. By W. J. ROCHE 315

Irrigation Characteristics of Soils in the Mareeba-Dimbulah Area of North Queensland. 1. Soil Moisture Characteristics of Three Major Soil Types. By G. D. KEEFER and D. K. WARD 331

Irrigation Characteristics of Soils in the Mareeba–Dimbulah Area of North Queensland. 2. Infiltration and Related Data for the Craig Loamy Sand. By D. K. WARD .. 345

A Comparison of the Copper Status of Sheep and Cattle Grazing a Predominantly *Paspalum dilatatum* Pasture in South-eastern Queensland. By J. W. RYLEY, J. M. HARVEY, J. W. WATSON and M. S. LEVITT 353

Effect of Lowering the Moisture Content of Cheddar Cheese on Quality and Yield. By T. A. MORRIS 367

Relationship of Salt Content and Weed Taint Perception in Butter. By W. D. MITCHELL 381

Treatment of Butter Wash Water with Ultra-violet Light. By G. G. CRITTALL 393

TECHNICAL NOTES

Insecticidal Control of Leaf-miner in Tobacco. By G. W. SAUNDERS and G. ETTERSHANK 403

Effect of Timber and Fibreboard Cases on Rind Injuries to Late Valencia Oranges During Transport by Rail. By C. D. STEVENSON and J. R. POLLOCK 407

No. 4, DECEMBER

Drought Feeding Studies with Cattle. 6. Sorghum Silage, with and without Urea, as a Drought Fodder for Cattle in Late Pregnancy and Early Lactation. By J. W. RYLEY 409

Bagomolasses as the Basis of a Fattening Ration for Cattle. By R. M. BEAMES 425

Relationship Among Productive Characters of Merino Sheep in North-western Queensland. 1. Estimates of Phenotypic Parameters. By A. W. BEATTIE 437

Observations on Cellulose Overwrapping of Egg Cartons under Queensland Conditions. By B. W. MOFFATT 447

Wilt of Peanut (*Arachis hypogea* L.) in Queensland, with Particular Reference to Verticillium Wilt. By G. S. PURSS 453

Controlled Atmosphere Storage of Queensland Grown Granny Smith Apples. By C. D. STEVENSON, J. B. WATKINS and J. R. BLAKE 463

Accumulation of Salt in Irrigated North Queensland Tobacco Soils. By B. J. CRACK and F. CHIPPENDALE 477

TECHNICAL NOTES

A Note on Egg Quality in Southern Queensland. By B. W. MOFFATT and R. V. BYRNES 487

A Self-propelled Combine Harvester for Experimental Plots. By J. A. KERR and J. E. RAWSON 491

Pesticide Taint Trials in Tobacco. By G. W. SAUNDERS and M. R. BENGSTON 497

S. G. REID, Government Printer, Brisbane
